

Announcing our Keynote Speaker

Dr Ashe Coxon (*MBBS, FRACGP, DCH, MClEd, GC Career Development, AFRAZAHPE*) is a General Practitioner and certified career counsellor who is the founder and director of Medical Career Planning. Dr Coxon has a strong interest in assisting doctors and medical students with their career decision making - including transitioning between careers, returning to work, and navigating uncertainty.

Dr Coxon believes that every doctor has the right to enjoy their workplace and find a fulfilling career.
