

20-23 NOVEMBER 2022

Medical Education

Prevocational Forum 2022

Risk & Reward | Perils & Opportunities
National Wine Centre, Adelaide | 20-23 November 2022

ABOUT THE FORUM

This year's Forum hosted by SA MET, aims to bring current challenges in medical training to the spotlight. With a mixture of heated discussions, hands-on workshops, insightful presentations from invited speakers, and a series of debates to round off each day's learnings, the Committee extends an invitation to Professionals in the medical education and training community to submit abstracts on a range of topics. Visit prevocforum2022.com.au for information on abstract submissions and more!
